

“Your Hawaii vacation, as you’ve always imagined it. A place to relax and reconnect with the earth, the sea, and most importantly, each other.”

## OPENING FEBRUARY 2009

Situated on 38 oceanfront acres of pristine North Beach Kaanapali, Honua Kai Resort & Spa is Maui’s newest beach resort. A total of 618 one-, two- and three-bedroom guest suites with full kitchens and living areas enhanced with expansive, covered lanai are housed in two, U-shaped buildings. Developed by Intrawest, the company’s first Hawaiian Resort project design allows for 70 percent ocean views spanning the islands of Lanai and Molokai. Lush gardens, water-rich landscaping, a beach walking path, resort amenities and services, and convenient access to championship golf courses, epicurean and sporting attractions, and Maui’s unique culture round out the new resort experience
